CHILD AND ADULT CARE FOOD PROGRAM

2027 ENROLLMENT FORM

REQUIREMENTS:

- a. All types of CACFP child and adult care centers, including Head Start centers, and family day care homes are required to have a completed CACFP Enrollment Form on file or a completed Enrollment Information section on an FY2027 CACFP Eligibility Application to document current enrollment hours and days of the week, including meal type(s) participation for each enrolled child or adult. Siblings or spouses must have a separate enrollment form as attendance at the center may be different.
- b. The CACFP Enrollment Form is valid for 12 months following the month a parent, participant, or legal guardian signed and dated the form. (For example, if a parent, participant, or legal guardian signed and dated the enrollment form on 7/31/2026; the form would expire on 7/31/2027). CACFP Enrollment forms must be completed annually by a parent, participant, or legal guardian when a participant eligibility application is not completed, (eligibility application includes enrollment information).
- c. The following CACFP program types DO NOT need CACFP Enrollment forms:
 - Outside-School-Hours Programs
 - At-Risk Afterschool Meal Programs
 - Emergency Shelter Programs

ENROLLMENT FORM REMINDERS:

- List one child or adult per enrollment form.
- All parts of the enrollment form are to be completed by the parent, participant, or legal guardian including normal days and hours of care, and which meal types the participant will participate in during the day or night.
- If a parent or legal guardian's work schedule varies frequently thus a child participant's attendance pattern will also change frequently, then the parent should check the box at the bottom of the chart. The parent or legal guardian is not required to complete another enrollment form but may elect to if the enrollment information changes during the year.
- For ease of collection, it is highly recommended that institutions/facilities distribute annual CACFP enrollment forms to parents/guardians at the same time as the annual Institution forms are distributed, so that it is more likely that the forms would expire on the same date.
